Nagar Extension Chinna Porur,  
Chennai - 600116

## SUMMARY

I am an accomplished and innovative Senior Software Developer with over **4 years** of experience driving software development projects. Skilled in leading engineering teams, designing scalable software architectures, and optimizing system performance, I am dedicated to delivering impactful software solutions that align with business goals.

## EXPERIENCE

### Senior Software Developer

#### Aggrandize Venture Pvt Ltd

📅 02/2023 – Still now 📍 Chennai

- Designed and developed a responsive and user-friendly interface using **React.js**, resulting in a **20% improvement** in user efficiency for managing logistics operations.
- Successfully managed and executed diverse logistics projects, including **Shipping ERP**, **Custom House Agent**, **CRM**, and **NVOCC** operations, improving operational efficiency by **20%** and ensuring compliance with industry standards.

### Junior Software Developer

#### Prowesstics IT Service Pvt Ltd

📅 02/2021 – 02/2023 📍 Chennai

- Identified web-based user interactions and created highly responsive UI components with React.js, increasing user engagement by 20% and boosting overall application performance.
- Developed backend functionality using the **Python Django framework**, enabling the rapid development of secure and maintainable websites, reducing deployment time by 30% and enhancing website security.

## KEY ACHIEVEMENTS

### 💎 Project Management Excellence

Managed 5 software projects with 100% on-time delivery.

### 💎 Performance Optimization

Reduced system response time by 30%, enhancing user satisfaction significantly.

### 💎 Team Leadership Success

Led a team of 6 developers, implementing process optimizations that boosted team productivity by 25%, ensuring timely delivery of high-quality projects.
